Master of Computer Applications

Mahajana First Grade College Mysuru
2023 CGPA - 8.4

Bachelor of Science in Physics, Mathematics, Computer Science

NIE First Grade College Mysuru 2021

ROLES AND RESPONSIBILITIES

- **Internal Assessment (IA) Coordinator**

Planned and executed internal assessments in alignment with academic regulations. Ensured fair evaluation practices, timely result processing, and accurate academic records to support continuous student assessment.

- **Time Table Coordinator**

Developed and managed institutional timetables by effectively coordinating faculty workload and course requirements, ensuring smooth academic delivery and optimal utilization of teaching hours.

- **Student Results Analysis Coordinator**

Conducted in-depth analysis of student performance to identify learning gaps and trends. Provided actionable insights to faculty, contributing to improved teaching strategies and enhanced academic outcomes.

- **Admission Coordinator**

Guided prospective students and parents through the admission process, offering academic counseling and ensuring seamless onboarding, thereby contributing to student enrollment and retention.

- **Institution's Innovation Council (IIC) Committee Member**

Promoted innovation and experiential learning by organizing academic events, workshops, and student-driven initiatives that encouraged critical thinking and creativity.

- **Anti-Ragging Committee Member**

Upheld a safe and inclusive learning environment by implementing anti-ragging policies, conducting awareness programs, and supporting student well-being.

- **Sports Coordinator**

Encouraged holistic student development by organizing sports activities and events, promoting physical well-being, teamwork and leadership among students.

- **College Marketing Committee Member**

Supported institutional outreach and academic visibility through participation in promotional activities, student engagement programs, and community interaction initiatives.
